## PROJECTS

### MINTO STORE (E-Commerce Web Application)

- **Description:** Angular e-commerce frontend with product listing, cart, checkout flow, and API-driven data handling.
- **Technologies:** Angular, TypeScript, RxJS, Signals, SCSS
- **API:** Mock REST API (offline fallback)
- **Source code:** Major Minto Store 
- **Live link:** Minto Store 

### AI SPINAL CONDITION DIAGNOSIS (Web Application)

- **Description:** Angular frontend integrated with backend APIs for authentication and medical data workflows.
- **Technologies:** Angular, TypeScript, SCSS
- **API:** Backend REST APIs used for authentication, diagnosis data, and report handling.
- **Source code:** Major Spinal Diagnosis 

### CALORIES TRACKER

- **Description:** Lightweight Angular application for tracking daily calorie intake. Implemented basic data persistence using local storage and simple user input handling.
- **Technologies:** Angular, TypeScript, SCSS, Local Storage
- **Source code:** Mini Calories Tracker 
- **Live link:** Calories Tracker 

### PERSONAL PORTFOLIO

- **Description:** Angular-based personal portfolio showcasing selected projects and UI structure.
- **Technologies:** Angular, TypeScript, Signals, SCSS
- **Source code:** Personal Portfolio 
- **Live link:** Personal Portfolio 

## TECHNICAL SKILLS

### Frontend

- Angular (Components, Routing, Forms, Signals)
- TypeScript , JavaScript
- REST APIs, HttpClient
- RxJS (basic)

### UI & Styling

- HTML, CSS , SCSS , Tailwind CSS
- Responsive & Mobile-First Layouts
- Angular Material , PrimeNG

### Tools

- Git & GitHub

## EXPERIENCE

### Frontend Development (Angular)

#### Personal & Academic Projects

- Developed Angular applications with reusable components, routing, and clean component structure.
- Integrated REST APIs for CRUD operations and form handling using Reactive Forms.
- Used Angular Signals and basic RxJS for state handling, with Git/GitHub for version control.

## EDUCATION

### El-Shorouk Academy

Bachelor's Degree in Information Systems

2021- 2025

### Route Academy

Frontend Web Development Course (Online, Certified)

2022

### Harvard University (CS50)

CS50: Introduction to Computer Science (Online)  
2021
